THE CONOVER KILLINGS DASHBOARD

One address. The whole night.

The 8x10 printer, the bulletin and who can print it.

CONOVER KILLINGS + SANS BOOTH PHOTOGRAPHY

What the dashboard shows

1. **Bulletin printing**
   Three lights: the print station, the bulletin print queue and the bulletin printer. All three green and a bulletin prints. Beside them: bulletins tonight, waiting, and 8x10 in stock.

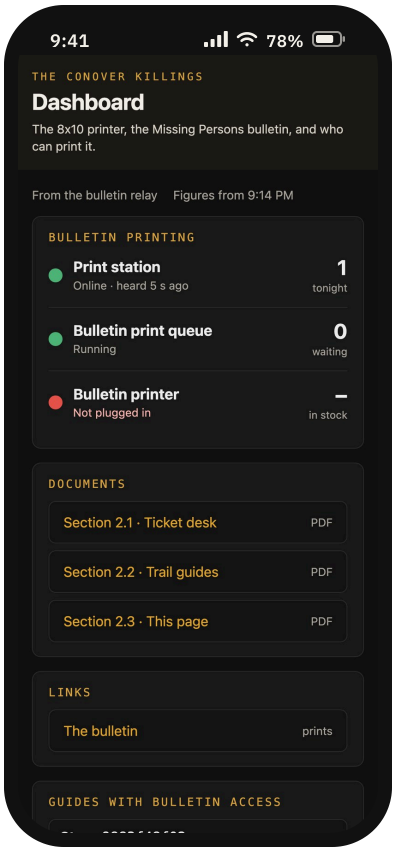

2. **Photographers with bulletin access**
   Each photographer's name and id, when access was granted and until when, and Active or Revoked.

3. **Asking for access**
   Each name waiting for an answer, marked ACCESS PENDING, and when the request lapses.

4. **Documents and Links**
   Sections 2.1, 2.2 and 2.3 as PDFs. The bulletin, which prints for a phone with a guide code.
